We value your feedback!

Our investigation of the dispute you recently submitted is now complete. The results are listed below. If an item you disputed is not in the list of results below, it was either not appearing in your credit file or it already reflected the corrected status at the time of investigation.

If you provide a consumer statement that contains medical information related to service providers or medical procedures, then you expressly consent to TransUnion including this information in every credit report we issue about you. If you wish to obtain documentation or written verification concerning your accounts, please contact your creditors directly.

If there has been a change to your credit history resulting from our investigation, or if you add a consumer statement, you may request that TransUnion send an updated report to those who received your report within the last two years for employment purposes, or within the last six months for any other purpose.

If interested, you may also request a description of how the investigation was conducted along with the business name, address and telephone number of the source of information.

Our investigation of the dispute you recently submitted is now complete. If we were able to make changes to your credit report based on information you provided, we have done so. Otherwise, we have contacted the company reporting the information you disputed, supplied them all relevant information and any documents you gave us with your dispute, and instructed them to: review all information we provide them about your dispute; verify the accuracy of the information; provide us a response to your dispute; and update their records and systems as necessary.

The results are listed below. If an item you disputed is not in the list of results below, it was either not appearing in your credit file or it already reflected the requested status at the time of our investigation. If an item says, "Deleted" we have removed it from your credit report and taken steps so it does not reappear. If an item says, "Verified, no change" it means the company that reports the information to us has certified it is reported accurately. If an item says "New Information Below" you should look at the item carefully to see whether you believe it is now accurate. Sometimes the new information reflects only a change to a balance or date, because the company that reports that item to us has certified that the rest of the information is accurate.

If our investigation has not resolved your dispute, you have several options:

- You may add a 100-word statement to your report. If you provide a consumer statement that contains medical information related to service providers or medical procedures, then you expressly consent to TransUnion including this information in every credit report we issue about you.
- You may contact the company that reports the information to us and dispute it directly with them. If you wish to obtain documentation or written verification concerning your accounts, please contact your creditors directly.
- You may provide us additional information or documents about your dispute to help us resolve it by visiting [www.transunion.com/dispute](http://www.transunion.com/dispute) and indicating you are filing a repeat dispute. You will be prompted to add additional information you feel is relevant to your dispute as well as upload supporting documentation.
- You may file a complaint about TransUnion, or the company reporting the item, with the Consumer Financial Protection Bureau or your State Attorney General's office.

If there has been a change to your credit history resulting from our investigation, or if you add a consumer statement, you may request that TransUnion send an updated report to those who received your report within the last two years for employment purposes, or within the last six months for any other purpose.

If interested, you may also request a more detailed description of how the investigation was conducted along with the business name, address and telephone number of the source of information.

Thank you for helping ensure the accuracy of your credit information.
